

CALL FOR PHOTO SUBMISSIONS!

Help us add some local faces to the Preceptor Education and Support in Saskatchewan website!

The Clinical Learning and Interprofessional Practice Unit (CLIPP) invites you to share your photos capturing your student-preceptor experiences. Photos will be added to the Saskatchewan Preceptor Website (www.saskpreceptors.ca)

Photos that work well include candid shots, action shots, and posed shots of both student and preceptor.

For more information and to access our online forms, please <http://saskpreceptors.ca/news-and-events.php>

Eligibility

Open to all students and preceptors in a health science profession within Saskatchewan. Individuals must own all rights to the photographs submitted. All submissions must be taken *by or of* the individual submitting the photo. The photo submission must include the written consent of everyone in the photo.

For privacy reasons, photos containing patients, family members of patients, identifying patient information, or personal health information will not be considered. Please remove name tags before taking the picture.

Publication

Accepted photographs will be displayed on the “Preceptor Education and Support in Saskatchewan” website – www.saskpreceptors.ca.

Submissions

All Photos and signed photo permission forms can be emailed to the Clinical Learning and Interprofessional Practice Unit (CLIPP). Inquiries and submissions may be directed to Ms. Erin Jones at e.jones@usask.ca by Dec 31st, 2017.
